CONF013618

REPORT TO: Don Chilcote

RE: Bruce T. Reynolds, Sr., former SM of Troop 260, McMinnville, Or. 1-6-88

FROM: [REDACTED]

DATE: September 16, 1987

Attending a troop committee meeting (troop 260) on Tuesday, September 15, 1987, held at the First Baptist Church, information came out about possible sexual abuse of boys by former Scoutmaster Bruce Reynolds during his time as unit leader. Attending the meeting: [REDACTED]

Details given by Kirk Bales: Bruce told his minister, who reported it to the District Attorney, John Collins. (Not clear at this time; who informed Dan Corrigan, CC) Dan and Kirk notified parents of possible abuse, and suggested that anyone knowing or suspecting anything, contact the committee, Sheriff's Office, or seek some kind of help. To date, no one has come forward.

Details given by others: [REDACTED] stated that parents of boys not in the troop during Bruce's tenure were not notified (this included me). [REDACTED] stated that she knew nothing about this, but didn't know if her husband had been called. [REDACTED] stated that Detective John Kowolik had talked to her about the investigation, but had heard nothing further. When the group was asked when all of this first came out, the only answer was "several months ago". Further discussion revealed that no one present knew the disposition of the investigation, nor any hard facts other than the parents of some boys had been notified of the possibilities.

Wednesday, September 16, 1987, I called on Eric Hanson, asst. DA, who is also a volunteer Scouter in the district. Eric had heard nothing about the situation, but checked the court records to see if there was any record. The only thing he found was a pending case of forced entry, resulting from a dispute with the apartment landlord. He suggested that I talk directly with John Kowolik.

Details given by John Kowolik: Bruce was first brought to the Sheriff's office attention as a possible suicide attempt. This was in May, 1987. The attempt did not materialize, but information from a Marion County officer brought to light information of possible sex abuse of boys. (Not clear was the connection between Bruce, Marion and Yamhill counties) Information available was that approximately six boys from 6 years to 16 years of age might be involved. Boy Scouts, Gallery Players, and the community at large were the possible sources of contact. Child Services did not chose to investigate for possible victims, and left it for the Sheriff's Office to investigate. Detective Kowolik talked to Dan Corrigan and one other person (un-named) about talking to the troop parents as a group. This did not happen as Dan and the other person did not agree with the suggestion. (my understanding was that not every parent was contacted individually by Det. Kowolik)

Disposition of investigation: File is still open; no victims or witnesses have come forward; no charges have been filed; Bruce Reynods is living in San Francisco, Calif. He has an attorney for the pending charges of forced entry, and no further information has come from Bruce himself.

CONF013622

November 9, 1987

Mr. Don Chilcote
Director of Field Service
Columbia Pacific Council, No. 492

PERSONAL & CONFIDENTIAL

SUBJECT: Bruce T. Reynolds, Sr.

Dear Don:

In mid-September we received a telephone call from you concerning Mr. Reynolds, who was Scoutmaster in Troop 150. It was indicated, at that time, that he had moved to the San Francisco area, but had been involved in possible sexual abuse with youth in the troop.

We would like to know if any further investigation has been done and whether any charges have been placed. This is certainly an area where we need to be very careful and should try to substantiate this so that he will not get involved in Scouting in another area.

I am enclosing a Confidential Record Sheet which I would like for you to complete so we may identify Mr. Reynolds. We would also like a copy of any application with his signature if you have this available.

Please do not hesitate to contact us if you have any questions related to this case.

Sincerely,

Paul Ernst, Director
Registration Service
